

Nottingham eTheses

Sharing graduate theses with researchers
across the world

Why use the eTheses service?

- reach a global audience
- speeds up the process of sharing knowledge
- maximum visibility and impact for your work
- free online access to graduate research results
- long-term storage and retrieval of your work
- your work will be referenced by others
- your reputation will increase

The Nottingham eTheses service makes your thesis available to researchers world-wide. For more information and details of how to submit an electronic copy of your final, corrected thesis, please see <http://etheses.nottingham.ac.uk>
